	<p><b>Tank Boys</b> by Stephen Dando- Collins</p> <p>Frankie and Taz didn't think about killing, or dying, when they lied about their age to join the Australian Army. They thought the war was going to be a big adventure. Now they're marching to the front. Richard is another sixteen- year- old heading to war. He's inside the massive German tank <i>Mephisto</i> as it powers towards the battlelines at Villers- Bretonneux, France. The other side have their tanks ready too. War is about to change forever...</p>
	<p><b>Secret (Elements 4) + Breathless novella</b> by Brigid Kemmerer</p> <p>Nick Merrick is stretched to breaking point. He's trying to keep his grades sky-high or he won't get in to college. He's trying to keep his brother's business afloat or the Merricks will be out on the street. He's trying to keep the secret of where he's going in the evenings from his twin brother Gabriel or he fears he'll lose his family. And he's trying to keep his mind off the hot, self-assured dancer who is his 'girlfriend's' partner. And then Quinn takes to hanging around his sworn enemy, and an Elemental Guide is counting the hours until he can try again to kill the Merrick brother. Storms are brewing. On all sides. Nowhere is safe. Not even home...</p>
	<p><b>Take a Life (The Debt 6)</b> by Phillip Gwynne</p> <p>Dom's almost there. It's the sixth instalment and the end is in sight, but he's about to face the biggest hurdle. The Debt wants proof. Proof that Dom has the mettle to become one of them. Proof he can kill. Dom is desperate to be rid of this debt, but at what cost? Could he put a friend out of their misery? Or defend himself to the bitter end? And if he does flush out who is behind this monstrous organisation, is he ready for the truth? This time it is not just a life at stake, it's humanity. Dom's humanity. And if Dom crosses the line, is there any coming back?</p>
	<p><b>Finding Freia Lockhart</b> by Aimee Said</p> <p>When Freia's best friend Kate starts hanging out with Westside's popular group, the Bs, Freia knows if she wants to keep the friendship, she's going to have to fit in. But how much fake tan, lip gloss and boy talk can Freia stand? Especially now that she's been roped into the school musical. Sometimes to find yourself, you have to risk everything.</p>
	<p><b>Destiny and Deception</b> by Shannon Delany</p> <p>With the threat of the mafia seemingly gone and the company's headquarters in Junction destroyed, Pietr Rusakova is adjusting to being a normal teen and Jess is realizing normalcy may not be what she wanted after all. But both Jess and Cat know the truth: Normal can't be taken for granted. Their precious cure isn't permanent- and when a new danger stalks into their small town, Alexi decides he must overcome his issues with the mother who abandoned him to be raised by wolves and make a brand- new deal to save his adopted family.</p>
	<p><b>The Summer I Became a Nerd</b> by Leah Rae Miller</p> <p>On the outside, seventeen- year- old Madelyne Summers looks like your typical blond cheerleader- perky, popular, and dating the star quarterback. But inside, Maddie spends more time agonizing over what will happen in the next issue of her favourite comic book than planning pep rallies with her squad. That she's a nerd hiding in a popular girl's body isn't just unknown, it's anti-known. And she needs to keep it that way. Summer is the only time Maddie lets her real self out to play, but when she slips up and the adorable guy behind the local comic shop's counter uncovers her secret, she's busted. Before she can shake a pom-pom, Maddie's whisked into Logan's world of comic conventions, live- action role- playing, and first- person- shooter video games. And she loves it. But the more she denies who she really is, the deeper her lies become... and the more she risks losing Logan forever.</p>
